

M/S. KAVITA COAL CARRIERS (KCC)

A Road Freight Transport & Forwarding Firm

Founded and established by Late Sri Deepak Kumar Dutt in the year 1997

“Delivering Strength. Driving Trust.”

COMPANY PROFILE

1. Introduction

M/s. Kavita Coal Carriers (KCC) is a reputed and professionally managed road freight transportation and forwarding firm headquartered in Bhubaneswar, Odisha. Since its foundation & inception by Late Sri Deepak Kumar Dutt in **1997**, KCC has built a strong reputation in the transportation of coal, minerals, and industrial goods across Odisha and neighboring states.

With nearly three decades of operational excellence, the firm has emerged as a trusted logistics partner for leading industrial houses, steel plants, mining companies, and manufacturing units.

2. Our Journey

KCC began as a modest home-based transport venture with a single medium-sized truck, primarily transporting **MCL coal** to power plants and sponge iron units across Odisha.

With dedication, reliability, and strong client relationships, the company steadily expanded:

- ★ Opened branch operations in **Paradeep** to handle increasing port-based cargo.
- ★ Expanded services across key industrial corridors including **Talcher, Rourkela, Joda, Barbil, and Paradeep**.

- ★ Established a branch in **Talcher** to streamline coal loading operations.
- ★ Relocated to a larger operational base in **Khuntuni, Cuttack District** to accommodate growing logistics demands.
- ★ Successfully took over operations of M/s Kabita Coal Movers, strengthening its market presence.

Today, KCC operates a robust and scalable fleet serving major industrial zones across Odisha and beyond.

3. Mission

To provide safe, timely, and cost-effective transportation solutions while maintaining the highest standards of integrity, reliability, and professionalism.

We are committed to:

- Ensuring on-time delivery
- Maintaining competitive pricing
- Providing a safe working environment
- Upholding transparency and fairness in all dealings

4. Vision

To be recognized as a leading and most trusted logistics and coal transportation company in Odisha and Eastern India, delivering excellence in both long-distance and short-haul freight services.

5. Core Services

5.1 Long-Distance Freight & Forwarding Services

KCC provides large-scale transport and forwarding services from:

- Paradeep Port
- Talcher
- Brajarajnagar
- Basundhara

Commodities Handled

- Imported Coal
- Indigenous Coal
- Iron Ore
- Gypsum
